PRICE THREE CENTS

ORCHESTRA FINAL CONCERT IS BEST

Main Line Musicians Excel Themselves Under Adolph Vogel.

SOPRANO CHARMS

The Main Line Orchestra closed its season Sunday afternoon at the Ardmore Theatre with one of the best concerts given this season by these amateurs. Under the direction of Adolph Vogel, it played with great accuracy a program ranging from Tchaikowsky's Fourth Symphony to MacDowell's "From an Indian Lodge."

Miss Charlotte Simons, youthful soprano from Chicago, was the assisting soloist for the fifth and last concert of the orchestra's season. Mme. Sembrich's scholarship pupil of the Curtis Institute of Music charmed the large and appreciative audience with her self-possession, her artistic interpretation, and her well-rounded evenness of tone. Admirers presented her with bouquets during one part of the program.

MacDowell's "From an Indian Lodge," was again on the program and was followed by the march from "Tannhauser." A valse lente and a pizzicato polka from Delibes' "Sylvia" featured accurate playing by the orchestra and reflected the good training of Mr. Vogel.

Charlotte Simons Pleases.

Miss Simons sang the brilliant coloratura aria, "Caro Nome," from "Rigoletto," with an evenness and maturity of tone that faltered only at one difficult high note. Sung with orchestral accompaniment, the aria was beautifully done, in a lilting, sprightly interpretation that defied criticism.

"Venus Aurore," by an unknown composer, was even more pleasing in dramatic instinct. Kramer's "The Swans" filled in nicely, and Hagerman's "Me Company Along" was sung with an individuality that was refreshing.

Main Line Orchestra audiences are always most decorous in the manner in which they render their applause, but they applauded so insistently that Miss Simons was forced to give an encore. "Giametta" was chosen and was charmingly sung. Mr. William H. Ames accompanied Miss Simons.

WILSON SPEAKS ON CHILD DISCIPLINE

Addresses Mothers' Council on Manners and Morals of Youth

STRESSES ENVIRONMENT

"Discipline" was the subject of a talk to the Mothers' Council of the Narberth Women's Community Club, delivered by Principal George H. Wilson, of the Narberth School, Monday, in the school library.

Mr. Wilson opened his talk with the old proverb "Train up a child in the way he should go, and when he is old he will not depart from it." Many changes have taken place since then, but that is as necessary now as it was then.

The first six years of a child's life are the crucial ones, he said. Many of his good and bad habits are formed then. It is natural for the child to think only of himself, but with his wonderful capacity to learn, he must be taught to adjust himself to his environment and to consider the will and pleasure of his associates.

Conscience is due to early training. The child who while young is taught the rudiments of morality and respect will always remember them through life. No two children can be disciplined alike. Punishment must be fitted to the case and care taken that all the facts from both sides are known.

Home environment has a great deal to do with the child, but associations outside of the home and school must be considered. One undisciplined pupil in a room

ANNOUNCE RECORD-BREAKING LIST OF GRADUATES AT LOWER MERION HIGH

Superintendent Downs Gives to School Board Tentative List of 130 Students Who Will Receive Their Diplomas on June 10.

One hundred and thirty Seniors in Lower Merion High School this week scanned with interest and, in many cases, nervousness, the list of those who were eligible to graduate. Many of these are from Narberth or its immediate vicinity. Lower Merion High School's graduating class this year, on June 10, will be even larger than last year's record-breaker, according to announcement of a tentative list of Seniors' names made by Superintendent S. Edgar Downs to the School Board at its May meeting, Wednesday night. Dates for commencement season events were also announced at this meeting.

Last year's graduating class of 127 is topped by this year's total of 130 Seniors, who will, on the basis of completed work to date, be eligible for graduation at Commencement on June 10. A few

additional students who are at present conditioned may qualify if they complete satisfactorily work specified prior to June 1, according to Superintendent Downs. The final total, therefore, may be even larger.

Commencement season events at the high schools of Lower Merion. Parents' nights at the Junior High School were scheduled for Thursday and Friday of this week.

Additional school functions will be: Friday, June 3, Annual Musical; Sunday, June 5, Sermon to Class; Tuesday, June 7, Parents' Night; Friday, June 10, Commencement; Saturday, June 11, Alumni Night; Monday, June 13, Grammar School Exercises; Tuesday, June 14, Junior High School Night.

Among the 130 tentative graduates

LAYING BIG PIPE IN HAVERFORD AVENUE

Borough Forces Trying Not to Disturb Business Section.

Work was begun this week on the laying of a 24-inch drain pipe in the bed of Haverford avenue from Essex to Narberth avenues. Excavation has begun west of the former intersection, and is being pushed eastward. The pipe is being installed on the south side of the street.

Street Commissioner George B. Suplee expects to have the block from Essex to Forest avenue finished early next week. While that section is torn up busses are being re-routed on the eastbound run so that they turn in on Windsor avenue, running to Haverford avenue on Forest. The stop is made opposite the Y. M. C. A. Building on Forster avenue.

A further change in the route will be made when the excavation passes Forest avenue. At the Narberth avenue intersection four inlets will be placed. Lower Merion has been requested to install the one at the Merion Title corner.

These inlets will take the water which drains from Narberth and Haverford avenues. In heavy storms the flow causes a lake at that corner and a torrent down Haverford avenue which frequently backs up into the stores. When the pipe is finished the inlet on the northwest corner of Haverford and Forest avenues will be opened to take off still more of the surface flow.

VOTERS INVITED

Narberth Republican Women to Meet Tuesday.

Two talks of interest to all Narberth Republican women will be given at a meeting in Elm Hall Tuesday at 2.30 P. M. Every Republican woman voter in the borough of Narberth is invited to attend. The purpose of the meeting is political and informative.

Mrs. Romaine C. Hoffman, hostess for the day, will speak on conditions at the County Poor Farm as she observed them. Mrs. Samuel Z. Shope will speak on the Americanization work of the D. A. R.

"LEST WE FORGET"

The annual poppy sale conducted by the American Legion Auxiliary, Harold D. Speakman Post, No. 356, and the Girl Scouts will be held Saturday, May 21. The poppies are made by the disabled war veterans in Hospital No. 49, Twenty-fourth street and Gray's Ferry road, Philadelphia, and the Marine Hospital, Pittsburgh.

The proceeds are used for welfare work among the disabled veterans and their families. Buy your poppies in Narberth.

The annual meeting of the Dr. Benjamin Rush Chapter, Daughters of the American Revolution, will be held at the home of the Regent, Mrs. Samuel Z. Shope, 108 Iona avenue, Saturday, May 21, at 1 o'clock.

SCOUTS ALL SET FOR MINSTREL SHOW

Packed House Expected at Performances Next Week.

A few more rehearsals and the Boy Scout minstrel show will be perfect. Next Friday evening will witness the "opening night" at Elm Hall. Tickets have been in the hands of the Scouts this week, and reports indicate a "packed house."

"Dick" Farrand, of Philadelphia, who is coaching the boys, will be the interlocutor, owing to the illness of "Dick" Stites, who had been selected for that position. The "entertainers" will be Scouts Wilson, Staley, Thomas and Lambert.

The harmonica selections, as well as solos by several members of the troop, will be among the features of the evening's entertainment. A few unique specialties will punctuate the program, which will conclude by a burlesque entitled "Ill-Treated Trovatore."

Arrangements have been made for dancing after the Saturday evening performance. For this purpose a special dance orchestra will be provided. There will be no dancing after the Friday evening performance.

As has been previously announced, the proceeds of the entertainment will go to pay the expense of a week's camping at Camp Delmont. Each Scout who sells 14 tickets will be entitled to go to camp free of cost for the week.

The Boy Scouts are the only persons authorized to sell tickets to the affair. Thus far no evidences of "ticket scalping" have been brought to the attention of the authorities. The warning has been issued, however, that anyone caught in the act will be summarily dealt with. The prices of the tickets are, 50 cents for Friday evening's admission, and 75 cents for Saturday evening, which will include the privilege of dancing after the show.

AUXILIARY MEETS

The regular monthly meeting of the American Legion Auxiliary, Harold D. Speakman Post, No. 356, will be held Tuesday evening in the Legion room of the Community Building. The Auxiliary will hold a platter luncheon in the Legion room Tuesday, May 24, at 12.30. Don't forget the date.

Still Plenty of Opportunity to Earn Real Baseball Equipment

There are still a number of Narberth boys and girls who are overlooking a real opportunity. "Our Town" is giving sporting equipment of all kinds to wide-awake youngsters turning in new subscriptions.

The announcement last week brought quite a few candidates, but there is still room for more. Baseballs, bats, gloves, skates—anything in the way of equipment you have been wishing for can easily be secured.

MAIN LINE INJUNS WERE GOOD INJUNS

Lenni Lenapes Peaceful, Says State Librarian at Dinner.

ROTARIENNES PRESENT

The days of William Penn were recalled Tuesday evening at the first Family Night of the Bala-Cynwyd-Narberth Rotary Club. Frederick A. Godcharles, State Librarian, was the speaker, and chose the history of local Indian tribes as his subject.

The Main Line in those days, he said, was in the territory of the Lenni Lenapes, members of the Delaware tribe of the Algonquin Indian nation, the largest and most powerful in the country. Penn purchased his land from these natives and from the Unami tribe, adjacent to the Lenni Lenapes on the north.

The first tribe noted by Penn on his arrival were the Susquehannocks, of giant stature. The chief, Tammany, with whom Penn dealt, earned great renown among the colonists. His name formed the basis for that of a Philadelphia Club and later for Tammany Hall, famous center of Gotham Democratic politics.

The "square deal" policy pursued by William Penn in dealing with the redskins was contrasted by the speaker to that of his successors, who resorted to shady dealings, such as the Walking Purchase, to obtain land. This treatment eventually turned the peaceful Algonquians into enemies of the pioneers and beginning with the defeat of Braddock a long series of massacres blotted the early history of the State.

Mr. Godcharles, author of many historical articles on the native commonwealth, drew an enthusiastic

WILLIAM SELFRIDGE

William Selfridge, of 405 Haverford avenue, died Wednesday at his home after a long illness. He was 70 years of age; death was due to pneumonia contracted on Easter day.

Mr. Selfridge had been a resident of Narberth for 27 years. For a few years after coming to the borough he lived on Price avenue, moving later to his present home.

He was active in the affairs of the Presbyterian church, having served as a trustee for many years. At one time he acted as vice president of the Narberth Fire Company.

He is survived by his wife, Mrs. Elizabeth W. Selfridge, and by two daughters, Mrs. John S. Ketcham and Miss Edna Selfridge, both of Narberth.

Funeral services, to which relatives and friends are invited, will be held this afternoon at 2.30 from the late residence. Rev. John Van Ness will officiate. Interment will be at West Laurel Hill Cemetery.

CLIMBED TO 83 DEGREES

The temperature here climbed from 46 degrees to 83 degrees during the past week, according to Charles Decker, Main Line Weather Observer. Since May 1 a temperature excess of 22 degrees is reported. The deficiency last year same time was 51 degrees.

Since May 1 .69 of an inch precipitation is reported, all of which occurred during the past week. The barometer was high at 30.24 and low at 29.74.

CLIFFORD W. BATES
Who took his seat as a member of Council Monday night to fill the unexpired term of the late A. Perry Redifer. Mr. Bates is an engineer by profession.

PROTEST DANGER IN POOL MUDHOLE

Police Chief Smith Present at Borough Council Meeting

AID GRANDSTAND FUND

Little but routine business was conducted at the May meeting of Council held Monday night. A visit from Chief of Police Charles P. Smith and the first meeting for newly-appointed Councilman Clifford W. Bates marked the evening.

Captain Smith was called in to discuss a dangerous condition which had arisen at the partly completed swimming pool at the Brynwood Manor Inn, and also to explain the system under which the light at Montgomery and Narberth avenues was operated.

The pool at the inn, begun some months ago, has been lying unfinished since that time, while promoters have been negotiating for a larger proposition with the formation of a swimming club. Opposition from neighbors has delayed the plans, and the excavation has been lying idle.

Heavy rains have partially filled the pit with mud, and last Sunday, with a goodly pond of yellow water formed, children of the neighborhood constructed rafts and made immediate use of the lake.

Parents, realizing the danger, removed most of the youngsters, and phoned the borough authorities to protest against the unprotected pool. One Wynnedale avenue mother, hearing a false report

DICK STITES BETTER

Son of Former Senator Regarded as Out of Danger.

Richard Stites, 15, only son of former Senator and Mrs. Fletcher W. Stites, is slowly recovering from a dangerous case of septic poisoning which for a while threatened his life.

The infection set in several weeks ago after Dick had bruised two fingers in baseball practice at Montgomery School, where he is a student. The poisoning resulted in an increasing paralysis of the lower part of his body.

A group of specialists, working in consultation with Dr. Romaine C. Hoffman, have drained the points where the septicaemia has been localized. The lad has steadily been gaining strength during the past week, and is considered out of immediate danger.

The physicians are now bending their efforts to prevent permanent paralysis where the poisoning took effect. Dick is improving daily, however, in strength and spirits.

An effort on the part of newspapers to draw a parallel between this case and that of the son of President Coolidge has resulted in columns of more or less exaggerated matter in the metropolitan press. A New York sensation sheet made valiant efforts to secure photographs for a full page "sob story" Sunday feature.

RECEIVE OFFICERS AT CLUB LUNCHEON

Cite Year's Achievements at Last Informal Spring Meeting

MRS. FOWLER A VISITOR

Officers for the new year were installed at an informal luncheon of the Women's Community Club, held Tuesday at 1 P. M. in Elm Hall. The reception of officers which preceded the luncheon was enlivened by the unexpected appearance of Mrs. C. P. Fowler, of Chicago, for many years prominent in the club's activities.

Election of new members of the Board of Directors resulted in the choice of Mrs. C. A. Farmer, Mrs. F. C. Torrey, Mrs. H. B. Speed and Mrs. E. S. Deubler, by the club acting as the corporation. Reports of officers and chairmen were then made, covering the year's activities.

Mrs. L. C. Douglass, president for the past year, emphasized as new developments the monthly calendar, the organization of the sub-junior department and the Mothers' Council. She recommended to her successor the greater use of the abilities of the members and a thorough-going revision of the constitution.

The new officers welcomed at Monday's meeting are: President, Mrs. C. Arley Farmer; first vice president, Miss M. C. Runyon; second vice president, Mrs. H. I. McConnell; recording secretary, Mrs. J. A. Hongler; corresponding secretary, Mrs. J. D. Sutherland; treasurer, Mrs. C. H. Shaw. These officers will be installed at the spring luncheon on Tuesday, May 10.

Mrs. J. S. Harris, with keen, but kindly satire, bade farewell to the retiring officers and presented appropriate gifts. Mrs. Eberhardt Mueller extended a witty welcome to the new officers. Thus the day closed amid merriment.

The building fund now has a balance of \$4914, Mrs. H. A. Jacobs, treasurer of the club, reported at the meeting.

The afternoon was not, however, entirely devoted to business. Mrs. L. H. Trotter sang two songs delightfully. The younger groups in the club gave two sketches. "Gentlemen Prefer Bonds," was enacted by two sub-juniors, Virginia Douglass and Elinor Michaelson. The junior department was represented in "Paris Labels," by Mrs. J. H. Jeffries, Lois Smith, Anita Miller, Mrs. Howard Cappel, Margaret Burrell, Virginia Smith, Mary

MERION OUTPOINTS NORRISTOWN TWICE

Outslugs Visitors 13-8 in Tuesday's Baseball Fray.

TRACK MEET WAS CLOSE

Lower Merion had double revenge over Norristown when it won two sports events in one week. Saturday, at the Swarthmore College Interscholastics, the Maroon and White track and field men took the Class B trophy from Norristown by a quarter of a point, and Tuesday, Lower Merion won in baseball, 13-8.

The final figures of track meet were: Lower Merion, 29; Norristown, 28½; Chester, 15½; Cheltenham, 10½, and Radnor, 8. Germantown Friends', Lansdowne High, Friends' Central, Girard College, Malvern Prep., Lansdale and Coatesville were also in Class B but were not among the leaders scoring.

The meet was nip and tuck between the two old Schuylkill Valley rivals, each taking turns at snatching the lead. Frank Houseman was high scorer for the Merion team with 7 points, being closely supported by Corrigan, who garnered 6 points.

The second bit of revenge came Tuesday afternoon in a slugfest on the Merion field, at Ardmore, when Lower Merion trounced the Fishburne diamond stars in a free-for-all hitting contest by a score of 13 to 8. A home run made by Norristown, with bases loaded, featured the visitors' scoring.

OUR TOWN

THE BEETLE QUARANTINE

The Japanese beetle quarantine area has been increased 7872 square miles this year, according to the United States Department of Agriculture station at Riverton, N. J.

The regulated area has been enlarged northward and westward, and now totals 13,919 square miles. Last year the quarantine area was 6047 square miles. The regulated zone has been extended each year since the Japanese beetle was discovered near Riverton in 1916, but the increase this year is the largest ever made in one year.

The quarantined area now includes all of New Jersey; the entire southeastern corner of Pennsylvania from Harrisburg to Philadelphia; the five counties of New York City; Nassau county on Long Island; part of Westchester county, New York, and Greenwich and Stamford, in Connecticut.

The Department of Agriculture regulations provide for the inspection of products to be shipped and the issuance of certificates, free of charge, for their shipment, unless the product in question is barred from shipment from within the quarantined area to points outside. These regulations provide certain exceptions, as follows:

"Farm products: The movement of farm products, including all vegetables, fruits, cut flowers, and grain and forage crops, irrespective of origin, from points within the regulated area to points outside thereof is prohibited between June 1 and October 15, inclusive.

"Exceptions: No restrictions are placed on the movement of Irish potatoes and sweet potatoes when free from soil; watermelons, dehydrated products; seeds; grains, and, when used for packing articles other than fruit or vegetables, hay and straw.

"Farm products and cut flowers which have been satisfactorily handled or treated in a manner to free them from infestation, may be certified at designated inspection points for shipment from the regulated area.

"Cut flowers and farm products, other than beans in the pod and green sweet or sugar corn, may be shipped without certification to points outside the regulated area from the markets of New York City when their routing is such that shipment will not pass through New Jersey.

"Farm products originating outside the regulated area may be certified at freight yards or docks within the area for direct reshipment.

"Farm products and cut flowers grown in uninfested portions of the regulated area may be certified without inspection.

"During periods of general or unusual beetle flight, certification may be refused for the movement of any farm products from the freight yards, docks, or markets within the area.

"Farm products passing through the regulated area must be protected from infestation during such movement.

"Products requiring certification throughout the year are nursery and ornamental stock, sand, soil, earth, peat, compost and manure."

School Athletics

If the people of our township want to promote the success of their schools, one important thing to do is to patronize the school athletic events. When you attend a school ball game in the home town, and support the team with your money and your cheers, you help give the school more prestige.

A school with good athletic teams commands enthusiasm from the pupils, and they feel proud of it and will respond to appeals to study their lessons thoroughly. But to have good athletic teams the games must be generously patronized and the townspeople must show enthusiasm. The knockers and crabbies need to retire to the back seat.

Railroad Consolidation.

During the last days of Congress a bill was introduced as agreed upon by the committee on interstate commerce to promote consolidations of railroads.

The old idea of railroad regulation was that the roads must be kept fighting their competitors, with the hope that they would thereby be incited to make the lowest possible rates. But this produced a lot of duplicating and unnecessary services, and thus increased the cost to the public. The prevailing idea now is to gradually merge the railroads into a limited number of strong systems. The managements must remember that they are given exceptional privileges, for which the public expects a return in the form of economical service.

How a Very Warm Day in Summer Can Make
You Think About Next Winter's Coal

It is summer. Red hot. So oppressive is the atmosphere that your thoughts turn to cooling images in hope of some relief:

A cool, gurgling brook—a ride in a motor boat, your face wind-beaten—a trip to Canada—a snow storm—ahh!—remember that blizzard of last winter!—how the drifts piled up, how you dug a path to the front steps—how the next second it was covered up again by the whirling flakes? How you ran indoors, saying: "Let it snow!" Indoors, where your easy chair invited, and a pleasant warmth prevailed? How your chilled bones responded to the comfort and you remarked to the cosy atmosphere: "Let it snow!"

It is at this point in your train of thought that the brakes crash on to the signal, "By Jove! I must order my NEXT winter's coal!"

Then you call us.

305 HARRISON BUILDING

Philadelphia

Break Ground for New Building

To the left is shown the three-story unit of the proposed \$1,000,000 addition to the Bryn Mawr Hospital for which ground was broken Thursday morning. This building will house the four new operating rooms, one of which will be devoted exclusively to eye, ear, nose and throat cases. This unit will also contain the new radiography, physio-therapy, X-Ray, bacteriological, pathological and chemical laboratories. The seven-story structure will comprise, in addition to the main wards and private rooms, the administrative headquarters and roof gardens.

GROUND BROKEN FOR NEW HOSPITAL GROUP TO BE BUILT AT BRYN MAWR

Plans for Establishing of Isolation Department for Communicable Diseases May Be Carried Out—Danger of Contagion Will Be Lessened

Ground was broken for the new \$1,300,000 addition to the Bryn Mawr Hospital Thursday morning by Mrs. James D. Winsor, of Haverford. Samuel M. Vauclain, president of the Board of Trustees, in a short address, spoke of the work of the hospital and its place in the community. Mrs. Winsor has been a member of the board of lady managers of the hospital since its formation in 1893, and has served as president of the board for twenty-five years. Mrs. Samuel C. Dixon, the present president of the board, also assisted in the ceremonies.

The turning of the first spadeful of earth Thursday morning marks the culmination of many years standing of the plans of those interested in the affairs of the institution. In May of last year a drive was conducted to raise \$1,000,000 for a completely equipped addition to the present buildings, and was oversubscribed by more than \$300,000. This additional sum has permitted some alterations in the original plans and the enlargement of the buildings.

The trustees of the Bryn Mawr Hospital wish to establish an Isolation Department for patients with communicable diseases.

"The need of such a department at the Bryn Mawr Hospital, which serves the whole Main Line and its adjacent territory," said Samuel Rea, chairman of the campaign, "is evidenced by the fact that in one week thirty-four new cases of communicable diseases were reported by the health officer of one township alone, making a total of seventy-five then under quarantine."

Mr. Rea added that such an Isolation Department as is contemplated by the Board of Trustees of the hospital would minimize to a great extent the danger of contagion to such epidemics.

Four Operating Rooms.

With an imposing main building, and an extension building, the enlarged Bryn Mawr Hospital will be one of the handsomest buildings in this vicinity. Besides a number of both private and semi-private rooms the Main Building will have large and airy wards, waiting rooms and a spacious roof garden. The administration offices of the hospital will be on the main floor.

The Extension Building will contain two bed wards and certain of the laboratories. On the top floor will be four operating rooms, one exclusively for eye, ear, nose and throat cases. Complete laboratory and diagnostic facilities will be included in the new hospital buildings. Among these will be the electrocardiograph, a comparatively recent development in medical science. This instrument records photographically whether or not the heart is functioning properly. It measures the beats of the human heart down to one-twenty-fifth of a second.

A University of the Air.

The possibilities of radio broadcasting as an educational force have been set forth in addresses delivered by M. H. Aylesworth, president of the National Broadcasting Company. He remarked on how broadcasting has thrown the doors of culture open to all.

It seems highly probable that within a short time many courses in general culture, following somewhat the lines of college education, will be offered to all the people. It will then become possible for the folks who have been denied all chance at the higher education to make up for these lacks and to come easily in touch with the finest knowledge of the time.

Help Our Own Young People.

Many of the young people of Wayne are making their first venture in the business world by taking jobs in our home stores. It is a big day for them when they stand up behind the counter for the first time and try to look as if they were real merchants. One can be sure they put a lot of strain and stress into their effort.

If they make good in this effort they gain courage and confidence, and it means a big push out into the current of success. We can help them on by giving them our patronage. Their knowledge of business may not be very extended, but they are right up on their toes to please us. We help our own young people when we buy of these home stores.

The Modern Crook.

The cartoonists used to depict crooks as rough, coarse and fierce looking people. But, according to the New York Times, the type of young men who are making a business of robbing stores have a fondness for good clothes and are very fastidious.

One could guess that the desire to make a swell appearance with their girl friends is the motive that prompts many of these fellows to do their dirty work. Their fine feathers will be wasted on the wardens and turnkeys of the jails where they seem to be destined to spend most of their lives.

Voice of Comfort and Service.

This year the Bell Telephone System will spend \$395,000,000 for plant improvements; enough to build the Panama Canal, or to run another Revolutionary War, or to repay almost all the nation has paid for all Indian lands and relief in the past 150 years.

It will close the year with something like 18,000,000 phones in use, and with a gross saving of billions of miles of travel, millions of years of time saved, an infinite gain in health, comfort, joy, business efficiency. The plant investment this year will be almost \$3.40 per capita, or almost a cent a day for every person in the United States.

Honor for the Gobs.

In reading the dispatches from China, it is no more than right that we all try to keep clear in our minds the distinction between this country's sailors and marines.

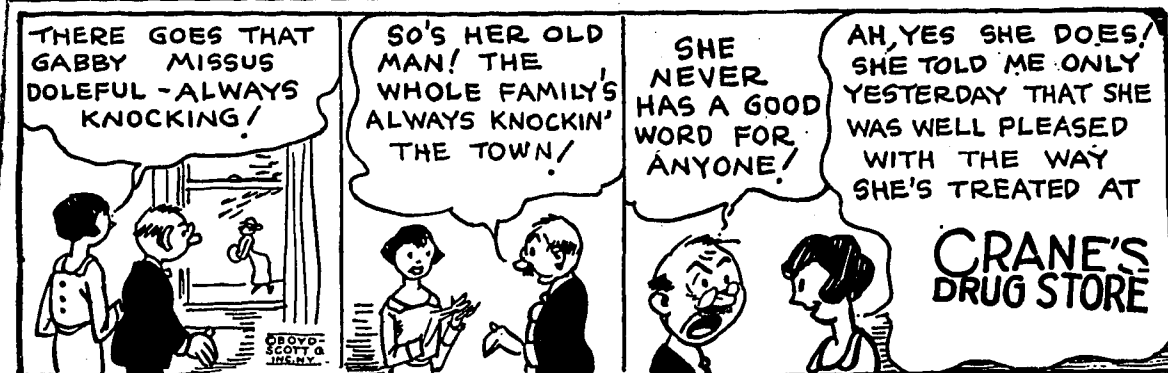

All too often, foreign correspondents fail to distinguish these separate services, but lump the activities of both together under the name "Marines."

In the first fighting at Nanking, for instance, it is obvious that it was the bluejackets—sailors—who were under fire. Yet already we are hearing of the work of the marines at Nanking.

It doesn't make a great deal of difference, perhaps. But the marines have honor enough in the public mind already; let's just remember that the ordinary, everyday "gob" is doing his share too.

NO. 250

AN ORDINANCE

To approve and adopt amendments to Rule 6 of Article II and Rule 36 of Article IX of the rules and regulations of the Board of Health of the Borough of Narberth, Montgomery County, Pa., governing the production, distribution and sale of milk in the Borough of Narberth, as approved by the Council of the Borough of Narberth September 12, 1926.

The Council of the Borough of Narberth do ordain:—

Section 1. That the following to Rule 6 of Article II of the rules and regulations of the Board of Health of the Borough of Narberth, Montgomery County, Pennsylvania, adopted by the said Board of Health (said rules and regulations having been adopted by the said Board of Health and approved by Borough Council by ordinance of September 12, 1926, is hereby approved and adopted by the Borough Council so that the said Rule 6 of Article II will read as follows as approved by the Board of Health, December 7, 1926:—

Milk Dealers License
Rule 6. No person or persons shall sell milk to the consumer in the Borough of Narberth without first, annually, before the 15th day of December, making application to the Board of Health which application shall set forth his, her or their names or names, together with the location of their route in the Borough and place of business and the name of the owner and the location of the dairies from which they obtain said milk or cream and such other information relating to the care of the said dairy and the production and care of milk and cream as may be deemed necessary by said Board of Health, said application to constitute an agreement between the applicant and the Board of Health for faithful compliance with all the rules and regulations of said Board, and obtaining from the Board of Health a license to carry on such business, which license shall be issued without charge and shall be displayed in every store or dairy from which said milk and cream are sold. The applicant must agree to inform this Board in writing of any and all changes in the source of his supply of pasteurized milk or milk for pasteurization within twenty-four (24) hours after such change occurs. Any change in a source of supply of a milk to be delivered raw to the consumer shall be reported in writing to this board before such change is made, stating the name or names of the person or persons who are to supply such milk or cream and the location of the dairies from which the same is to be obtained and the number of cows in the dairy herd. No person or persons shall in any event sell milk to the consumer in the Borough of Narberth unless such milk has been produced, bottled and otherwise handled in accordance with all the rules and regulations of the said Borough of Narberth unless such milk has been produced, bottled and otherwise handled in accordance with all the rules and regulations of the said Borough of Narberth applicable to such particular grade or classification of milk.

Section 2. That the following amendments to Rule 6 of Article IX of the rules and regulations of the Board of Health of the Borough of Narberth, Montgomery County, Pennsylvania, adopted by the said Board of Health (said rules and regulations having been adopted by the said Board of Health and approved by the Borough Council by ordinance of September 12th, 1926) is hereby approved and adopted by the Borough Council so that the said Rule 36 of Article IX will read as follows as approved by the Board of Health December 7, 1926.

Bottling and Handling
Rule 36—"Inspected raw milk" must be delivered to the consumer in containers which have been filled and capped at a dairy to which a milk producer's license has been issued by this Board or in containers which have been filled and capped in a building in which no grades of milk other than "Inspected Raw Milk" and "Certified Milk" are received, handled or bottled and which building is separated from any other building in which any grades of milk other than "Inspected Raw Milk" and "Certified Milk" are received, handled or bottled. "Inspected Raw Milk" must be delivered in paper or glass containers unless otherwise permitted by this Board.

Passed this 9th day of May, A. D. 1927.

DANIEL LEITCH,
President of Council, Pro Tem.

Attest:
CHARLES V. NOEL,
Secretary.

Approved this 9th day of May, A. D. 1927.

HENRY A. FRYE,
Chief Burgess.

The FIRESIDE

Mrs. Wayland Elsbree, Miss Frances Fricker and Miss Margaret Gassner gave a kitchen shower last Wednesday afternoon in honor of Miss Georgiana Fox, teacher of first grade at the Narberth Junior High School, and Miss Ruby Kevorkian, the health teacher.

Mr. and Mrs. Kenneth P. McKown, of Ardmore, are receiving congratulations on the birth of a daughter on April 30. Mrs. McKown was formerly Miss Ann Simons, of Narberth.

Dr. Lawrence Davis, of Avon Road, entertained the members of his card club last Friday evening.

Miss Edith Maguire, of Grayling avenue, has as her guest over the week-end Miss Dorothy Elwood, of Atlantic City.

Miss Josephine Tyson, teacher of English at Narberth Junior High School, will leave June 25 for a trip abroad. She plans to visit France, England, Italy and Germany before returning home.

Friends of Mrs. S. V. Reichner, of 344 Meeting House Lane, will be glad to hear that she is recovering from her recent serious illness.

Mrs. C. P. Fowler, formerly of Elmwood avenue, came from Chicago to attend the closing luncheon of the Narberth Community Club last Tuesday.

Miss Margaretta Gibbons, of Pembroke Road, Cynwyd, gave a tea last Sunday afternoon in honor of Miss Mary Miller Kress, who will leave for California shortly. Among those present were the Misses Patty Sellers, Ellen Shaw, Jane Shallcross, Kerry Quinn and Rosalie Shaw.

Miss Louise Smedley, of North Narberth avenue, entertained at a birthday luncheon last Tuesday afternoon. There were fifty guests.

Mr. and Mrs. A. H. Wilson, of 212 Wayne avenue, entertained at dinner in honor of Mr. and Mrs. R. L. Beattie, of Price avenue, who are leaving for California next Monday, May 16.

Mrs. W. H. Durbin, of 101 Woodbine avenue, was hostess to twenty of her friends at a luncheon and bridge last Saturday afternoon. Those present were Mrs. A. Perry Redifer, Jr., Mrs. Douglas Miner, Mrs. Winthrop Derby, Mrs. William Fretz, Mrs. George Riddel, Miss Marion Trotter, Miss Margaret Eyre, Miss Dorothy Durbin, Mrs. Horace Smedley, Mrs. John Nash, Miss Jean Justice, Mrs. Arthur Cooke, Mrs. Harvey Harman, Mrs. Howard Cappel and Miss Margaret Burrell, all of Narberth; Mrs. Joel Harris, Mrs. Helen Niles, Mrs. Robert Fretz and Mrs. Paul Boyd were her out-of-town guests.

Mr. Charles E. Humphries, of Easton, Md., formerly of Narberth, visited friends here this past week.

Mr. and Mrs. William R. Parker, of Merion avenue, and Miss Adele Wveth, motored to Princeton last Sunday to visit William R. Parker, Jr.

Miss Mary M. Ransom will portray "The Spirit of Womanhood," at Lindenwood College Centennial Pageant, St. Charles, Missouri, this month. Miss Ransom is the daughter of Mr. and Mrs. F. J. Ransom, 15 Montgomery avenue.

Miss Patience Wohlert, of Narbrook Park, will give a luncheon and bridge this afternoon in honor of Miss Mary Miller Kress, of Merion. Her guests will be Miss Laura Winters, Miss Betty Cook, Miss Honora Snyder, Miss Cynthia Metzger, Miss Ellen Shaw, Miss Patty Sellers and Miss Hope Burlingame.

Miss Eleanor Knauer, of Lantwyn Lane, and Miss Martha Sunderland, of Hampden avenue, are spending the week-end at Penn State College.

Mrs. R. H. Durbin, of North Narberth avenue, entertained the Thimble Club at the Brynwood Manor Inn last Thursday afternoon.

Mrs. W. A. Fox, of 31 Narbrook Park, returned recently from a visit to Buffalo, N. Y.

Among those from Narberth and vicinity who attended the dance given by the Alpha Gamma Chi Sorority last evening at the Merion Tribute House were Misses Honora Snyder, Betty Cook, Cynthia Metzger, Hope Burlingame, Helen Marsh, Emily McMakin, Marie Clayte, Patience Wohlert, Alfred Odior, Wells Wanamaker, Herbert Burrell, Thomas Stapleton, Warren Faulks, Jimmy Faulke, Lois Mandes and James Stevenson.

Mrs. E. C. Griswold is recovering in the Hahnemann Hospital following a recent operation.

Mr. and Mrs. John Harold Lloyd, of Homewood avenue, are being congratulated on the birth of a daughter, Florence Ford Edm. Lloyd.

Mr. and Mrs. John W. Joyce, of 11 Narbrook Park, have as their guest Mrs. W. K. Starrett, of Forest Hills, Long Island. Mrs. Starrett, a former resident of Narberth, herself an artist, is the wife of the well-known illustrator, William Kemp Starrett.

WARNS OF GAS

"Fritz," the pet dog of Richard Stites, who has been making his home with the family of Paul R. Loos, Haverford avenue, during "Dick's" illness, did a good turn for his hosts Monday night.

The dog awoke the family in the middle of the night, when it was discovered that the house was filled with poisonous gases from the furnace. The action of the dog probably saved the lives of the family.

HARMON RE-APPOINTED

Narberth Man Again to Be Coach at Haverford.

Harvey J. Harman, of 15 Woodbine avenue, was last week re-appointed coach of the Haverford College football team. This action followed a concerted demand on the part of the student body that he be re-appointed, following some apparent hesitation on the part of the college officials.

Coach Harman's popularity was attested by articles and editorials in the Haverford News, campus weekly, demanding his retention. In commenting on the signing of the new contract, the News said Monday:

"After many fruitless interviews and negotiations, President Comfort and Coach Harvey Harman agreed on terms satisfactory to both parties last Wednesday, which resulted in the signing of the popular football mentor for the 1927 season. The alumni and the entire student body were desirous of procuring Coach Harman's signature on a long-term contract, but the former Pitt star didn't commit himself beyond a one-year agreement.

"The popularity of the protege of 'Pop Warner' is without precedent in the annals of Haverford College. Coming to the Main Line institution in the fall of 1922, he proceeded to lay the foundation of the famous Pitt system. Each season since that date the fruits of his labor have become more apparent until finally during the past season the football team enjoyed the best success of any Haverford football team in many years, losing the first game and then triumphing in the next six contests. His ability as a coach is unquestioned."

MERION CIVIC BODY

Will Hold Annual Meeting Tuesday
Will Elect Officers.

Officers and an entire board of 25 new directors will be elected at the fourteenth annual meeting of the Merion Civic Association, which will be held Tuesday evening at the Merion War Tribute House. Invitations for the affair were sent out this week.

The officers whose terms expire are President J. S. W. Holton, Vice Presidents John Dashiell Myers, Samuel L. Clark, George Pettinos, Treasurer William H. Folwell and Secretary Mrs. Percy E. Matthes. Of the 25 directors, two are women.

Following the annual reports and elections, there will be entertainment by a lyric trio composed of Miss Dorothy Powers, harpist; Miss Ernestine Bacon, soprano, and Miss Florence Huenle. Gus Bohn, a magician, will also be on the entertainment program.

CLASSIFIED ADVERTISEMENTS

NEW PHONE BOOKS

Are Out—Two-Volume Issue Contains 500,000 Names.

Distribution of the Bell Telephone Company of Pennsylvania's new spring directory for the city and suburban regions has commenced.

The city directory will be in two volumes—an innovation which the growth of Philadelphia has necessitated. One, a blue-covered book, contains all the subscribers' names in and near the city in alphabetical order, while the other, bound in brown, has the classified business listings.

TALK ON KINDERGARTEN

Miss Julia Wade Abbott, director of Public School Kindergartens of Philadelphia, will speak on "The Ideal Kindergarten," in the Narberth School auditorium Monday, May 23, at 8 P. M.

In view of the fact that the School Board is opening a public kindergarten for Narberth children in the fall it will be profitable for all parents of children of kindergarten age to attend this meeting. The public is cordially invited to attend.

COUNCIL MEETING

CONTINUED FROM THE FIRST PAGE

that her child had fallen into the pool, was rendered ill from shock while the sticky bottom of the excavation was searched for a possible corpse. The youngster later turned up unharmed at the home of a neighbor.

Captain Smith reported that his department could do nothing as the pool was on private property and the children, despite the danger, were technically trespassing. On Tuesday, at the request of borough officials, the inn management had the pool pumped out and a fence erected.

The chief told Councilmen that the traffic light at Narberth and Montgomery avenues was supposed to be in operation from 8 to 10 A. M. and from 3 to 7.30 P. M. Hearing that this schedule was not adhered to, he promised an investigation.

A request that the borough enact a closing law was made by Captain Smith. He pointed out that a great deal of drinking and rowdiness would be averted if pool rooms, inns, etc., were compelled to close at midnight. He reported that an inn on Montgomery pike, Narberth, had been noticed by him as doing business at 2.45 in the morning.

Daniel Leitch was in the chair in the absence of the president, E. C. Griswold. Robert F. Wood, on a business trip, was also absent.

Much of the business of the meeting was contained in the reports of the Highway Committee and the Borough Property Committee, which follows:

Report of Highway Committee.

During the past month the street commissioner, acting under instructions of his committee, has made a canvass of the borough to ascertain those sidewalks, curbs and driveways which are in need of repairs, and early next week orders requiring individual property owners to make such repairs in conformity to the specifications of the borough for such work will be mailed with copies of the ordinance relating thereto to 102 different property owners.

Material has been ordered for the surface water drain on Haverford avenue and it is the intention of the Highway Department to start that work next Monday, if the material arrives, and if the weather permits. This work will be done by borough labor under the direction of the street commissioner and it is our estimate that it will require about three weeks. It will be laid in sections so as to cause the least possible interference with traffic and normal activities in the business section.

We are glad to be able to report that the Pennsylvania Railroad gave prompt attention to the notification that this committee sent to them, at the suggestion of Council, on April 12, regarding the need of repairs to the footway on the Narberth avenue bridge. Those repairs were made by the railroad during the past week and the approach to the southern end of the footway was changed by the railroad so that pedestrian traffic will no longer be deflected into the roadway.

The winter schedule of ash and rubbish collections was concluded with the Clean-up Week collections during the first week in May. Ash collections will be made during the first week of each month only during the summer.

During the past month, in addition to normal ash collections, we cleaned the streets, repaired several streets with Buckite, spread some of the dirt which had been piled on the old ball field and rebuilt the new baseball diamond on the playground.

Ash collections during the month of April totaled 839 cubic yards, for which the labor cost amounted to \$704.82. Other labor expense items during the month were as follows:

Street cleaning, \$102.26; street maintenance, \$117.42; playground, \$24.12; baseball diamond, \$78.84; community building, \$13.68; rent of roller, \$31.16. The total labor expenditures during the month of April were \$1072. In addition \$232.72 was spent for street maintenance material.

During the month of April 11 permits were issued for depositing material on the highways and the money derived therefrom amounted to \$34. During the same month five permits were issued for opening the highways and the money derived therefrom amounted to \$122.50.

Report of Property Committee.

Twice during the past month boys playing ball on the eastern end of the playground have broken windows in the Community building. This is the same experience which we had last year in connection with the borough storage building windows which when screened relieved the trouble. We, therefore, recommend that protective screens be applied to the south windows of the American Legion and Girl Scout sections of the Community building at a total cost of not more than \$50.

The Recreation Board has referred to Council through this committee the request of the Narberth baseball team that an appropriation of public funds should be made to assist in the erection of a permanent covered grandstand, with a seating capacity of about 350, at the western end of the playground. It is the opinion of your committee that such a grandstand, if erected, would be frequently used by many different elements of the community in addition to the spectators at the baseball games and that such a grandstand is a proper and legitimate

piece of community equipment for which some expenditure of public money is justified. It is also our opinion, however, that because any such piece of recreational equipment has as much value for the school children of the borough as for the adults, that any appropriation of public funds for that purpose should be divided between the School Board and the Borough Council.

We, therefore, recommend that an appropriation of not more than \$500 be made toward defraying the expenses of erecting a permanent grandstand on the playground with the understanding that an earnest effort will be made to secure the consent of the School Board to participate in that public appropriation, and with the further understanding that all necessary funds in excess of the \$500 public appropriation, no matter how the public appropriation may be divided between Council and the School Board, shall be derived from private sources. It is our further recommendation in this connection that the erection of the grandstand itself shall be subject in all respects to the building ordinances of the borough.

ROSEMONT MAY FETE TO BE HELD SATURDAY

College Campus to Be Scene of Day's Features.

Additional features have been added to the program of events at the May Fete to be held on the campus of Rosemont College next Saturday afternoon, May 21, and those in charge report that arrangements have been made to accommodate a very large attendance. Busses will run at short intervals from Sixty-third street and Lancaster avenue directly to the college at a special fare of 10 cents. Many from Narberth will attend.

No admission will be charged to the grounds and the public will have the opportunity of viewing the handsome buildings which have been erected during the last two years, including Cornellia Connelly Hall, a dormitory building of unusual construction, in Gothic architecture, a notable contribution to a charming scholastic environment.

The Gertrude Kistler Memorial Library is another recognition of the endeavors of the Society of the Holy Child Jesus, the religious order in charge of Rosemont College. This building is of Tudor Gothic architecture, of imposing appearance, and its interior is described as having achieved the ultimate requirements of a college library.

The dramatic forum of the college will produce an outdoor play, "The Fairy Bride," a fantasy of the days when the Druids occupied Ireland, and the students will also conduct an archery contest and tennis tournament, both of which, it is stated, will be of unusual interest.

A popular-priced dinner will be served on the lawn and a number of amusement features have been provided. Many booths will hold forth with wares of various kinds and the generous contributions which have come from the friends of the college afford the opportunity for bargain purchases of a wide selection of merchandise, according to reports.

Those who are active in the plans of the affair include Mrs. James C. Conditine, Miss Winifred V. Ferry, Miss Teresa M. F. Martin, Mrs. Thomas Wright, Miss Agnes M. Fitzpatrick, Mrs. William Gleason, Mrs. James M. Wilcox, Mrs. Jane M. Quennell, Mrs. Robert W. Leslie, Mrs. J. J. Cabrey, Miss Jane E. M. Dougherty, Miss Marion Johnson, Miss Helen McCarthy, Miss Mary Galbally, Mrs. F. McGrath, Mrs. Vincent A. Carroll and Miss Mary Kelly.

The dance will be sponsored by members of the alumnae.

Kuneki Notes

I am here to remind you of a cake bake which I told you of last week. We (the girls) will be there from 8 A. M. to 4 P. M. so that you will have plenty of time to get there and look over our big supply. You have all seen the signs around town, but most of them do not say where it is to be.

The empty store between Paperman's and the American Store is the place, and don't forget it! Well, you'll hear from me later if you don't come to our cake bake! Beware!

CALLS NOT MORALS BUT MANNERS OF YOUTH BAD

CONTINUED FROM THE FIRST PAGE

makes it much harder for the teacher and retards the whole class.

From his many years of personal daily contact and observation, Mr. Wilson stressed the fact that children's morals have not changed for the worse as has been said so often, but it is the manners of the children of today which are decidedly worse than those of a generation ago. Whether the faults lie within the home entirely or on outside influences is a matter open for discussion.

Following Mr. Wilson's discussion, Mrs. Robert Nash, chairman of hospitality, and her committee served refreshments, which added to the spirit of the meeting.

Friday, May 20, 7.30 P. M.—Young people's social evening in the church.

PROPOSALS

Sealed proposals on behalf of the School District of the Borough of Narberth will be received by the Secretary up to 7.00 P. M. Eastern Standard time, May 20, 1927, for the construction of a covered passageway on the school property as follows: to join the two existing school buildings; to have cement walk, stone foundations, hollow tile plastered on both sides, five feet high; eash above this the entire length on both sides; roof is to be flat tin roof which is to cover stairway leading to basement in the west school; passageway to have two doors in it—one on each side; bid is to include painting and glazing. Further details can be obtained from the Principal, George H. Wilson, at the office of the School District. Bids are to be mailed to the Secretary, L. A. Kling, Narberth, Pa., as above stated. The board reserves the right to reject any or all bids.

By order of the Board.

LEROY A. KING, Secretary.

MANY ENTERED

Channel Swim at Y. M. C. A. Attracts Both Men and Women.

A popular feature of the summer activities which is already arousing considerable interest is a channel swim in the indoor pool at the Main Line Christian Association. A good many of the members have already entered and there is a keen competition going on between the aspirants who expect to win the race. The distance for men has been set at 10 miles and four women and girls at five miles.

The honor system is being used for recording the distances scored, each participant keeping his or her own record, and medals will be awarded to those finishing the course first. The progress of the entrants is recorded daily on a chart which is watched with interest and anxiety. The association is planning an active program of aquatic sports for the coming months which will be participated in by large numbers.

ANNOUNCE FAIRS

The time and place of holding sixty-six county fairs and exhibitions in Pennsylvania have been compiled by L. H. Wible, director, Bureau of Statistics, State Department of Agriculture. The first fair will open at Bridgetown, York county, on August 10, while the last fair of the year is scheduled for Oil City, beginning October 13.

Subject to possible minor change in dates, the Montgomery County Agricultural Association will hold its fair at Hatfield from August 30 to September 5, while that of the Chester County Association will be held at West Chester from September 1 to September 3.

SPRING RECITAL

The annual spring recital by pupils of the Main Line School of Music will be held at the Woman's Club Building, Ardmore avenue, on Friday evening, May 27, at 8.30.

TO ALL HOLDERS OF SECOND LIBERTY LOAN BONDS

NOTICE OF REDEMPTION

All outstanding Second Liberty Loan 4 per cent bonds of 1927-42 (Second 4's) and all outstanding Second Liberty Loan 4 1/2 per cent bonds of 1927-42 (Second 4 1/2's) are called for redemption on November 15, 1927, pursuant to the terms of their issue. Interest on all Second 4's and Second 4 1/2's will cease on said redemption date, November 15, 1927.

Holders of Second 4's and Second 4 1/2's will be entitled to have the bonds redeemed and paid at par on November 15, 1927. Such holders may, however, in advance of November 15, 1927, be offered the privilege of exchanging all or part of their bonds for other interest-bearing obligations of the United States. Holders who desire to avail themselves of the exchange privilege, if and when announced, should request their bank or trust company to notify them when information regarding the exchange offering is received.

Further information may be obtained from any Federal Reserve Bank or branch, or from the Comptroller of the Public Debt, Treasury Department, Washington.

A. W. MELLON,
Secretary of the Treasury.
Washington, May 9, 1927.

It pays to buy your next winter's coal NOW—and from Kunkel!

With coal prices lower than they have been for years, this is the opportune time to lay in your full winter's supply at a real saving.

	KUNKEL PRICES—Chuted	Cash Price
Egg,	\$14.25—less 50c a ton for cash—	\$13.75
Stove,	14.75—less 50c a ton for cash—	14.25
Nut,	14.25—less 50c a ton for cash—	13.75
Pea,	11.50—less 50c a ton for cash—	11.00

Prices subject to change without notice.

And remember, these low prices are for selected Lehigh Valley Coal, guaranteed 2240 pounds to the ton, well screened—the regular Kunkel quality and service.

The square-deal policy of giving 50c a ton off for cash was first put into effect by Kunkel seven years ago and is still maintained.

You can't look at a tire and tell how far it will run

YOU CAN'T SEE a tire carcass because it is covered by the tread. Yet the way this carcass is built tells how far the tire will run.

Dunlop has had 39 years to learn all the hidden points where tires wear. Dunlop carcasses are built from the best long fibre cotton, spun in Dunlop's own mills into the famous Dunlop cable-twist cord.

These cords are elastic, so they give and take as your tire runs; strong, so they resist constant load and pounding. They build the best possible foundation for the Dunlop tread—the toughest rubber development known.

Thus Dunlop's extra years of experience build added value into every vital tire-part. That is why, not one Dunlop—but every Dunlop—gives you more service than you can reasonably expect.

We recommend that you put Dunlops on your car

Moth Eaten

Some of your expensive furs may be so labeled by the end of summer unless you arrange now to give them the home they require.

For many years Aromatic Red Cedar has been looked upon as the desirable kind of wood for lining storage closets. After all, one of the secrets of a moth-proof closet is one tightly constructed.

By using tongued and grooved boards 3/8 inches thick by 3 1/4 inches wide you can make, or have made, a very acceptable addition to your home comforts. You may also test your ability with tools by making a Cedar Chest similar to the cut shown in one of our previous ads.

Make it a habit to ask us questions about lumber and its uses.

GIRL SCOUT NEWS

Conducted by Mrs. Victor I. Zelov.

Several delegates from the Main Line Committee and Philadelphia Council were present at the eighth conference of the Girl Scouts of Region 3, held April 28 and 29 in Washington, D. C., Mrs. Charles C. Harrison, Jr., Chairman of the Main Line Committee presided over the opening meeting held at the American Red Cross building, and gave the reply to the address of welcome by Mrs. H. H. Flather, Washington Girl Scout Commissioner. Mrs. Harrison also gave a talk on Friday on "Lone Scouts and Lone Leaders." Miss Margaret Robins, recently elected Philadelphia Girl Scout Commissioner, spoke at the meeting Friday afternoon on "Camp Problems and Needs," while several other Pennsylvania delegates had places on the program. The delegates adjourned at noon on the first day of the conference and were received at the temporary White House by Mrs. Coolidge. Honorary National President of the Girl Scouts. The delegates were also guests at tea of Mrs. Herbert Hoover, Chairman of the National Executive Committee, and former National President. Mrs. Coolidge was a guest at Mrs. Hoover's tea, having donned her Girl Scout uniform as first Girl Scout of the land. Mrs. Vance McCormick, of Harrisburg, was unanimously re-elected chairman of Region 3, which is composed of Pennsylvania, Delaware, Maryland, District of Columbia and Virginia. Other officers elected were: Mrs. Charles C. Harrison, Jr., also a National vice president, as vice-chairman of Region 3; Mrs. John Staige Davis, of Baltimore, secretary; and Miss Adelaide Wenner, regional director. The nominating committee consisted of Mrs. Frederick H. Brooke, of Washington, chairman; Mrs. Edward K. Conrad, of Wilkes-Barre; Mrs. J. H. Hammond, of Pittsburgh, and Mrs. Lawshe Baird, of Phillipsburg.

Gladwyne Troop No. 99, Miss Ellen Harrison, Captain, Miss Evelyn Martin, Lieutenant, was given at its last meeting a large American flag by Mrs. Charles C. Harrison, Jr., godmother of the troop. It was presented in the "Good-night Circle" by Miss Harrison, their captain. The girls were very proud when the flag was carried on to the platform, for their former flag was very small. Katherine Smith was elected the permanent flag bearer. The troop learned some trail signs at the meeting week before last, and afterwards had a treasure hunt so they could put them into use. The rest of the meeting was spent in studying merit badges. All of their new scouts have received their uniforms so that the entire troop is now in uniform.

Cynwyd Troop No. 94, Miss Margaret Robins, Captain, has seven girls who have sent in their applications for the Home Nurse merit badge: Betty Philips, Mary Philips, Esther Croasdale, Constance McChesney, Marjorie McGeorge and Florence Abburger. They are also about three-fourths of the way toward receiving their Red Cross certificates. Several scouts were recently made second-class at an impressive candle light ceremony, which ended with the entire troop lighting their candles from the promise, and singing as they marched "Follow the Gleam." The new second-class scouts are: Winifred Latta, Blanche Sonnesfield, Julia Moore and Joyce Trenholme. The troop now has 34 members and soon they expect to start a waiting list. For the Troop Advancement Contest they already have 140 points.

Narberth Troop No. 8, Mrs. John C. Nash, Captain, is studying hard on the new nature requirements. The scouts gave a card party last Friday evening at their Scout House at which they all had a jolly time.

Malvern Troop No. 104, Mrs. Russell Elton, Captain, were guests of honor of the Malvern Boy Scouts at their banquet held recently in the Presbyterian Church. The troop chorus has been presented with a beautiful American flag for the troop. A Scout-Parent picnic to be held at Norbeck Lodge on the estate of Mrs. Alexander Coxie at Paoli, is being planned by the troop for May 30, to which all the mothers, fathers, brothers and sisters of the scouts will be invited.

Personal service
when a call goes wrong

"What number did you call, please?"

PERHAPS no question is so often asked of us as: "Why is it, after I've placed my call, that an operator sometimes comes in on the line and asks me what number I'm calling?"

May seem like inefficiency, or even carelessness or indifference.

Yet the Special Operator, who does this, is there only to be of personal service to you.

She's there to help you get the person you want when there has been a change of number or when through misunderstanding or technical fault the call has jammed.

She has at hand the sort of records which make this possible—records which to be effective must be concentrated before her.

Again, she's there to be of personal service, to help in situations where you can't help yourself—to restore service order promptly and efficiently.

THE BELL TELEPHONE COMPANY
OF PENNSYLVANIA

G. K. ERB, District Manager

"AN ORGANIZATION DEVOTED

TO PERSONAL SERVICE"

"ROUGH JUSTICE"

New Book at Library Which All Discriminating Readers Will Enjoy.

So many books are now being added to the Community Library shelves each month that it is impossible usually to make more than a bulletin announcement of their availability there. In the case of all books by established writers and all that attract national attention in the newspapers and magazines, a bulletin is all that is necessary to cause the library patrons to seek them out. They recognize the title and the author as soon as they read it in this column.

"Rough Justice" by C. E. Montague, is an exception, for it is a remarkably fine book by an unusually accomplished author which, though published last fall, failed to attract wide popular attention, and that is a reason why the library did not buy it earlier. In order to make amends for that omission, it is in order to tell people about it now that it is available at the library.

It is the story of a boy and a girl who were born in England in the nineties; of their childhood and youth amid standards and values which seem to have departed from the world in the welter of the war through which they both lived and served and from which they emerged changed, of course, but still true to the standards to which they had been trained. If it has any moral at all, and probably Mr. Montague would disclaim any such intent, it is an assertion that the standards of right living, of honor, of service and of decency which the race had rather laboriously and indifferently built up before the war, are still worth holding to and living by until there has been time to work out a code that is obviously better.

It is not a dull book of social manners and customs; there is no satire nor propaganda in it. It creates a group of unusually likeable people with whom the reader is glad to associate as human beings rather than as types of possible human conduct squirming out their biological antics under the microscope which the protagonist author claps to the reader's eye. They are real; they are lovable; they eat, drink, play, quarrel; most of them go to the war where some are unconscious heroes, undecorated and unsung; some are cowardly and some are vain popinjays, and finally some of them mate and there the book ends, as all good books used to do, letting it be assumed that they lived happily ever after. As stories go, "Rough Justice" is highly conventional, and it is a timely indication of what a fine thing the conventional novel can be when handled by an author who applies unusual ability not only of creative imagination, but of mastery of the language itself.

Last year the library devoted in a similar manner special attention in this column to another novel, "Precious Bane" and, apparently as a result, many Narberth people read that book. To all of them it is only necessary to state that "Rough Justice" is another book which they will surely enjoy and which they really can not afford to miss.

GIVE FESTIVAL

Narberthites who like luscious strawberries and good, home-made cake, are informed of a Strawberry Festival to be given by the Senior Luther League on the evening of June 2, at the Lutheran Church.

BASEBALL SEASON GETS UNDER WAY

Narberth Winners in First Two Games Last Week.

Narberth's ball team showed great promise in its first two practice games, winning both Saturday and Thursday. Today the home team will play Ocean Gate. Wednesday the attraction will be Clearview, one of the fastest independent teams in West Philadelphia.

The Main Line League season opens May 21 at Wayne. Narberth's big opening game is May 28, when it is expected that the Lower Merion Band, the firemen, the Girl Scouts, the Boy Scouts and other organizations will co-operate in opening day ceremonies.

Returns have been coming in very slowly on the contribution tickets sent every Narberth resident to finance the ball team. Keen disappointment is felt by active supporters of the club, but it is hoped that more ball fans will respond generously to the appeals for funds. A proposed new grandstand, with canvas roofing for better comfort of the fans, is included in the team's budget for this season.

Thursday evening's practice game with Dunkirk resulted in a 4-3 score for Narberth. Graham's pitching and Keyes' fielding featured in the victory. Graham, who was imported from Overbrook this season, struck out eight batters, and permitted no runs for six innings. In the seventh, Babb was given an opportunity to warm up, but three runs were scored before he tightened.

Narberth scored two runs in the first inning, one in the second and a deciding run in the sixth. Two-baggers were clouted by Keyes, Gillman, Turner, Babb, for Narberth, and Luth for Dunkirk. Cullen's fielding featured Dunkirk's defense. Keyes stole bases twice, and Hanke, once, for Narberth. Kearney and Miller each stole bases for Dunkirk.

In Saturday's game, the first scheduled contest, Narberth defeated Manayunk to the tune of 5-4. Babb and Graham performed on the mound for Narberth. Henry, the visiting pitcher, was touched for 14 hits.

Manager Fred Walzer brought a lot of his new material into the game, and some of the younger element look most promising. The score was:

NARBERTH		R	H	O	A	E
Keyes, ss.		0	0	0	0	0
Turner, lf.		0	0	0	0	0
Young, cf.		1	0	0	0	0

MOVIE CAVES IN

Carelessness on the part of riggers installing the structural steel for the new Narberth motion picture house resulted in the collapse of the entire framework of the building Monday afternoon.

The crash occurred when supports were removed to make way for a new beam. Guy ropes holding part of the structure pulled the work askew and the center caved in, leaving a mass of twisted steel. No one was hurt.

Building Inspector George B. Suplee condemned the materials, ordering Salasin and Freed, the promoters of the enterprise, to procure new steel work for the rebuilding of the skeleton. The loss will amount to nearly \$1000.

It is not known whether or not the accident will delay the opening of the theater in the fall. Necessity for extensive blasting and the removal of rock for the foundations has already put the work behind schedule. A pump has been working almost every day keeping the excavation clear of water from an underground spring.

TOT AIDS RED CROSS

Miss Mary Giltinan, of 518 Dudley avenue, 7 years old, gave a cake and candy sale at her home this week for the Red Cross fund for the Mississippi Flood Relief. Her proceeds totaled \$17.17.

SET LUNCHEON DATE

The annual luncheon and donation day of the Evangel Circle of King's Daughters will be given Wednesday, June 15, from 12 to 2 at the Home of the Aged, 10 Sabine avenue. The Holiday House at Valley Forge will benefit. Tickets, 60 cents, may be obtained from Mrs. F. H. Hewitt, 116 Essex avenue, or the Home of the Aged in Narberth.

For the rummage sale to be held May 25 and 26, articles will be collected upon phone call to Mrs. H. W. Derby, Narberth 382-W.

GIVE LUNCHEON TUESDAY

The Women's Missionary Society of the Lutheran Church will give a luncheon in the basement of the church Tuesday at 1 P. M. All members and friends are cordially invited. Favorite dishes will be served for 35 cents.

RED CROSS FUND REACHES \$702

More Narberth Contributions Are Acknowledged.

Narberth's contribution to the Red Cross for the Mississippi Relief Fund totals \$702 to date. This amount has been turned over to Mrs. H. C. Fenno, local captain, to the Red Cross headquarters at Bryn Mawr. The Main Line's total is \$8152.41.

Further contributions are acknowledged as follows: Miss Mary Marville, 213 North Narberth avenue, \$100, from the Infants' School of Philadelphia. Received at the Merion Title and Trust Company, \$71.60. Presbyterian Church Fund to date, \$103. Girl Scouts, \$10. Miss Mary Giltinan, \$17.17.

The Community Club voted a donation Tuesday of \$17. The junior section of the club donated \$10.

ROTARY MEETING

CONTINUED FROM THE FIRST PAGE.

astic picture of the people, resources and industries of Pennsylvania.

The meeting was attended by several score Rotarians with their wives and children, who were present not only at the supper and the speech which followed, but who witnessed the ceremony of installing the officers for the coming year.

With a few words of thanks to the members for their support during his administration, the first year of the club's life, Alvin E. Shull handed the gavel to Dr. Ezra S. Deubler, new president. Dr. Deubler accepted the insignia of office with a short address praising the effective work of his predecessor.

The other new officers were then introduced to those present.

They are Guy Croyle, vice president; James P. Carroll, secretary; William H. Decker, treasurer; L. Stanley King and Fred Walzer, directors.

A diamond Rotary pin was presented to Mr. Shull for his services to the club, and engraved watch charms to L. Stanley King and James P. Carroll for perfect attendance at club and directors' meetings during the past year.

Music was furnished by a three-piece orchestra, and by six boys from All Saints' choir, Wynnewood, led by David Spratt.

SEEK FAVORITE VERSE

"Bible Guide Posts" will be the topic of the Senior Luther League meeting tomorrow. Each member will attend prepared to quote a favorite passage from the Bible. A vote will be taken to determine the most popular verse.

VACATION TIME IS NEARLY HERE

Some go away early—some late. Some steal a week-end; others are reading cruise folders. But all must prepare, even for a day.

There are vacation supplies to be bought, clothes to be cleaned and repaired, work to be done around the house. Shopping for goods and shopping for service must soon be done.

Prepare for your vacation right here in Narberth. Food for the camping trip, sun-burn lotion, clothing, sporting goods, can all be obtained in Narberth's complete shopping center. And Narberth's workmen will make everything shipshape for you about the house.

The names below are names of people it is well to know. Choose your vacation supplies from these stores.
